CLASSIFIED ASS-IFIED

Dear Reader – We would ususally not place a story, or rather, letter at a spot like this. But when we received this one and read it, somehow it it seemed to beg for publication. So we decided to offer it here and ask your indulgence as the action unfolds. – Editors

---

I wanted to find a like-minded woman for encounters. How did I approach this? Online sex boards. Not that I expected much, the man to woman ratio must be huge. However, I believe more women read than post and this is what happened to me. I posted an advert, was truthful about my situation and what I was looking for, and I waited to see what would happen. To my surprise I actually had two responses. I know that isn't much, but I expected zero. One contact I emailed back and forth a couple times, but it really wasn't going anywhere. But the other, I will call her "Wanda" though that isn't her real name. She was married, and both she and I did not want to change our situations. Wanda and I got along quite well in email, though she clearly wasn't going to just leap into bed right away. It would be great if everyone could be a normal and sane person yet really enjoy sex with people they don't know well, but that isn't reality.

We went from emailing to texting, and that is when we would to start really getting to know each other. The texting finally came around to sex. Surprisingly to me, Wanda was not only a very sexual person, but shared my openness with a slightly kinky side. I can still remember texting in the evening one time and I told her I would like to try anal. I waited for the response. Would it be disgust? Would this cut off the chances of getting together with this woman? Minutes seem like hours and then she says "Sure, I'm willing to try it." We might not have been in the same room but that definitely got the blood flowing.

So we had lunch. She was cute, buxom, and had a great laugh. The talking was easy, and I was definitely attracted. She had a nice tan and probably a 36D at least. She was nicely dressed and she had lovely thick black hair that went just past her shoulders. She wasn't thin, rather she was curvy in the right places and made my mind race, I wanted her badly. Later, after the lunch date, we talked and I could see I was probably more taken than her, but still her curiosity was peaked. Conversations continued, and finally our attraction

had to be satisfied. We agreed on a time and a hotel and I was counting down the hours.

We arrived looking calm on the outside but excited on the inside as we engaged in nervous small talk walking towards the room, knowing what was about to happen, but not how it would start. We entered the room, she walked towards me. My hands started holding, and then exploring her over her clothes. If I had worried about her interest, her level of excitement, I didn't have to worry any longer. She was on fire.

Clothing started to magically fall off of us, I can't truthfully remember how or in what order. I do remember pausing when she was in bra and panties to admire what I was about to enjoy. Those breasts! Oh how I love breasts. So full, with the curve of her breast inviting me to feast. I started kissing her lips, lightly and playfully, and then moving in to enjoy the soft skin of her neck. Kissing again, but also biting gently, to be rewarded by her sharp excited gasp. While I was enjoying that, and her response, I was undoing the clasp of her bra to unleash those beautiful breasts. My hands lifted her bare breasts to my mouth so that I could taste them properly. Her nipples were nice and large and judging by the rate by which her breathing increased, sensitive. So my light tonguing turned into biting and her breathing turned into moaning. We were still standing in the middle of the room, so I pushed her back towards the bed until she fell back onto it and I followed. That gave me the chance to move on from those fantastic breasts and move down her chest, and stomach, eventually getting to her pussy which was so very wet.

I started licking, sucking, and probing with my tongue she went wild. I thought she was pretty vocal before, but the moans were guttural deep expressions. I loved licking her pussy, and frankly I don't know if I am a master of that skill, but she sure made me feel that way. Quickly she came to the first of what would be many orgasms and I smiled and stood up shedding my last clothing. She sat up so she was sitting on the edge of the bed and pulled me down for a deep kiss, wet with the juices of her pussy. She then broke away from the kiss and leaned forward to start giving my cock some loving attention. She kissed, and then licked, taking her time and making sure she got to all areas. Then she took me deep into her mouth, bobbing up and down, trying to take it further each stroke. This was feeling amazing, but honestly with weeks and weeks of texting foreplay I wanted something else.

I gently eased her off my cock, and pushed her back on the bed so I could enter her in one quick thrust. Wet pussy and freshly sucked cock is a great combo. I slid in fast and deep. She groaned again and pulled me deeper. I can't really describe how good it felt, but as I close my eyes I remember it still. It was amazing. We started getting in a good rhythm and again her voice started getting louder and louder. And then an amazing thing, her legs started shaking and she clearly started being gripped by a powerful orgasm. I slowed, but didn't stop, and let her have her enjoyment.

As the waves of orgasm slowed I wondered if she would be tired, after all she had two quite powerful orgasms so far, but really she was just getting started. She started begging for me to keep fucking her and I was happy to oblige. However, I thought a little variety would be fun, so I lay down beside her so she could

climb on top and we could start a nice slow rocking stroke. They say being on top is good for the woman, she gets to be in control of the motion, but I love it too because I had her beautiful D breasts in my face. As she rocked back and forth on my cock I took a nipple into my mouth and started sucking. That got a good reaction, but then I started biting and she went wild. I repeated myself with the other nipple while my hand kept pinching the first one. She was a woman possessed and started cumming like the world was ending. After what seemed like a long time she collapsed, seemingly exhausted.

I was fine to let her have her rest even though I hadn't come yet. She lay down next to me on the bed, facing away from me. I wrapped my arms around her and caressed her breasts while my hard cock was rubbing up against her ass. I was doing it gently just keep my erection going. Sure enough, her breathing quickened again, the moaning started and she was arching her back and pushing her ass into me. I was really enjoying this and I thought I would slip it into her from behind for a nice slow fuck.

She asked me to use a bit of lube since we had been fucking for a bit and I was happy to do so. I then positioned my cock and moved forward and she pushed back on me. Except instead of slipping right in for more, my cock encountered a little resistance, I was a bit too far back for it to be her pussy. Thinking that she would be protesting soon I started to try and move into better position, but she had other ideas. She braced herself on the headboard and pushed back into me with more determination.

I felt the resistance start fading away and before you know it, I was deeper into her ass. It was a fantastic feeling. So tight and so unexpected. I was beyond turned on but taking it slowly letting her get used to it. But eventually the tempo between us increased and the feeling was just too good. I was feeling that pressure build inside of me and eventually couldn't hold back. I came so hard I almost passed out, pumping what felt like a gallon of cum into her ass. She came at the same time, pushing against me so I was as far in as she could take it.

We lay there sweaty and exhausted and completely satisfied in the stillness and quiet. I just held her close and we rested awhile. Needless to say, that wasn't our last encounter. Later we had some experiences together that makes this a bit tame. Maybe I will share those with you sometime, too.

During my college years, I was known as a party girl. I was a big hit at all the sorority and fraternity parties on campus. But this was all done while maintaining a 3.8 GPA. My favorite subject is fellatio. I like to give it nice and slow. Not like these girls that try to make you cum in twenty seconds. Draw it out, I say. Make him feel good for a while before you let him fuck you. That's always been my sexual mantra!

JESSA RHODES

You're looking at a nymphomaniac. A real one, not just one portrayed in movies. My sexual appetite is immense. I want cock and more of it. Like two cocks. I have no problem handling them. I love the feeling of both my holes filled, my mouth filled with their cum. I have my college boyfriend to thank for this. He got me turned on to threesomes and mini-orgies. The rest, as they say, is history!

STORMY FAN-ATIC

You are one hell of a woman to watch. I've been in love with you from the longest. You're in my eyes, the most beautiful, sexy, seductive hottest woman I've seen in CLUB (#267). I just love older women and I'd be having serious fantasies about you. Your layouts are the only pictures that turn me on, literally. I just turned 23 years old and I have a gifted nine-inches of hard dick. I can definitely imagine me grabbing your hips and fucking you hard and rough. Stormy, can you take it? I don't expect you to act like a lady neither. You'd be surprised what I can teach you. Don't let my age fool you. You're my wildest fantasy and I'm ready to do everything you tell me as long as I can have you any way I want. I make love to your picture three times a day.

You have a beautiful pussy and I'm sure it it stays wet. I love eating pussy and I'll eat yours all night long. I have a nice size tongue; I'll eat your pussy and asshole at the same time. I know you say you don't do anal, but how can you resist nine inches. I'll slip your tight little asshole wide open. Your pussy looks kind of tight also. I promise I'll treat you like a queen in the beginning. Lord knows I wish I could have an intimate encounter with you.

The sun and the moon exchange places but I wanna embrace you and exchange faces. Get a Chance to know you with no questions. I know you're hungry for some young loving. I'm very aggressive and demanding and rest assured I'd have you hooked and screaming for more. I'm excited just writing this message. I see you now, sucking my dick while your fingers popping yourself at the same time. If only for one night, I'll fuck your brains out while you're reverse cowgirl.

I'd do anything to make love to you and give you a tongue bath. I hope to hear from you soon. In closing, it'd be real special to have the chance to meet you. Love wouldn't have anything to do with it. And I'm quite sure your groove is intact. It'd be a dream come true. Until I look at your pictures and we meet, stay as beautiful as you are. Soft words from a hardened cock.

David, OK

WHO DOES THIS?

We got this 'rundown' of the models in the last Club (#267) and our jaws dropped as we read it. – Ed.

Stormy Daniels

Some spread - the cover was an immediate purchase, Being a 33 year old male who is very computer literate and also has the set up for a karaoke night that would make a living room dining room den appear small with quality sound. Back to the question of the day, it took a poker game where me and her were in the bare. It came down to kingdom or queendom where I split a pair for a possible flush and she won with a higher pair. The queen took the throne and she tasted really good.

Ryan Ryans

Ryan exquisite is the word I'd use with knowledge about conglomerates and realizing that perfect boob jobs for 18-25 year old models is difficult.

I have to confess I had to peek at all the pictures and being a male, I was very aroused and with the knowledge of flam-

BLAIR-NTS-09

ing pussies, I had to finish the pictorial and ask my girlfriend about casual sex.

Nicole Malice

The not-too-discreet tatoos that you were wearing is a picture that will always get me wanting to caress and kiss the bare parts of the costume and naturally a bit of Kool Whip and some cherries with vanilla ice cream to make it a-la-mode.

Ali Kat, Brandy Nicole

As a 5' 8" male who is a very mechanically inclined individual would be part of the answer. As my toolbox shifts and winds up finishing in the kitchen for a snack of pure excitement. And to have some pie before a 69 would give me the hormones my body craves.

Asphyxia, Skin

Pizza should never be eaten cold. The delivery guy should get there at least 10 minutes from cumming out of the oven. Just be sure there are enough pieces for everyone so no one gets jealous.

From Jayland, N.Y.C.

Sweaty, tipsy, and more than a little horny, Zoe, Elle and Aiden don't want their long night of clubbing to end. They head back to Zoe's place for a nightcap that includes sloppy, drunken kisses and nipple fondling to the point where Elle and Aiden strip nude and 69 right in the living room. Make room for Zoe, girls! Show the host some hot lesbo love! We don't want your long night of clubbing to end! So we'll just pull out our cameras.
